*DEDICATED*

To one who possesses a touch of the French . . . and yet can be called a true "Southern Belle" with all her warmth and charm . . . one who adds to this combination the vivacity and gaiety of the Modern Spirit . . . always willing to lend a helping hand as an advisor, a teacher, a sister, and a friend.

To you, Miss Eve R. Mouton, we proudly dedicate this 1957 POTPOURRI.

"Ce n'est pas assez d'avoir de grandes qualités; il en faut avoir l'économie"

. . . "It is not enough to have great qualities; one must make good use of them."

*TO MISS EVE R. MOUTON*

# *Administration*

## *President John S. Kyser*

The POTPOURRI is a great teacher. It records people and events not merely in terms of the observable in the classroom and at recreation, but it also reveals much of the deeper meaning that college education and training can have in the lives of men and women.

We have had a splendid year. There has been excellence of performance together with a balance between and among many types of activities. Let us think of these accomplishments as steps on our way to get a closer approach to the highest ideals in our society.

May all of us realize that no organization in the world equals a purposeful college community in its promise of better things to come. We are truly privileged to work and play together. May we ever possess a spirited belief in the potential stature of man, and may our efforts be attuned to our faith.

## FACULTY ACTIVITIES

The Annual Faculty Reception was held in October to introduce to the faculty all new members. The reception, held out-of-doors for the first time, was at the President's home. President and Mrs. Kyser entertained the faculty, their wives and friends on the terrace adjoining their home where blue lighting arrangements added to the festive atmosphere.

## *Student Council*

Under the beneficial guidance of Dean Fulton, together with the leadership of President Don Morgan and Vice President Bennie Barron, the Student Council maintained its honor and prestige with various functions.

The Student Council has worked through the year to plan pep rallies, assemblies, elections, and numerous other programs which supplied opportunities for the students to express themselves and to acquaint themselves with the college itself.

This year the Student Council initiated Northwestern's program of insurance on students and the election of a Mr. and Miss NSC.

The purpose of the A.W.S. is to promote, in cooperation with the Dean of Women, the intellectual, social, and spiritual welfare of the women students; to develop in the students a deep sense of self-responsibility; to instill a spirit of cooperation and friendship; and to uphold high social and academic standards among women students of the college.

The A.W.S. has the distinction of keeping students on the campus in anticipation by sponsoring several activities during the year. The year is begun by serving punch to the parents and students the first day of school . . . this year the A.W.S. sponsored a float in the Homecoming Parade and received recognition by placing third . . . an unusual project is the "Christmas at Home" held at Varnado Hall in which each dormitory portrays a Christmas scene . . . the "Backward Dance" in the spring gives the girls a perfect opportunity to get back at the males . . . a new project is the extra-hour date night in which the girls can stay out an extra hour for a penny a minute . . . then the Honor's Convocation highlights all the activities of A.W.S. with awards given to outstanding women. These activities are carried on by the A.W.S. council and the help of all the women students on the campus.

The Purple Jacket Club which was founded by President V. L. Roy in 1927, is the oldest honor club to be organized on the campus. Adorned in purple and white, colors depicting loyalty, the Purple Jackets have portrayed service as they have served willingly and tirelessly as the official hostesses of the college, making of themselves an ageless tradition.

The Purple Jacket Club honors women students who have demonstrated good scholarship, good character and a desire to cooperate with all units of the college in unselfish service. Highlighting this year's Purple Jacket activities were the Purple Jacket Calling, annual Purple Jacket Review and the Spring Trip.

## *The 1957 Potpourri*

POTPOURRI staffs come and they go, and in between the coming and going, there is a general confusion of work and play involving such things as: gathering and assembling data, typing copy, choosing and captioning snapshots, assembling the never-ending groups of class pictures into classes, and planning and decorating for the annual POTPOURRI Ball. There are times when everything seems to go wrong—all staff members are willing to work, but are somehow never able to make it at the specific time suggested; the President phones and cancels (for the third time) that important appointment to have his picture made; there has to be a change in the Junior section and all copy has already been mailed . . . but, on the other hand, there are always the brighter days, when every member (or ALMOST every member) of the staff shows up for the meeting, or when the girls spent long hours (but how fast they slipped by) in the men's dorms while the endless process of class picture-making was going on. There were deadlines to meet—and more deadlines to meet. Then, with only twenty days left to complete everything, the time flew—but the work flew along with it—and now, after many minutes, days, and months of toil and sweat, we are pleased to present to you the 1957 POTPOURRI.

# *The Current Sauce*

The *Current Sauce* of 1956-57 was different in several respects from those of previous years, as a creative staff came up with many "firsts" for the campus newspapers designed to present a well-balanced view of life at Demonland.

Under the new constitution passed by the student body in the Spring of 1956, the *Current Sauce* was to be printed during the Summer as well as the Fall and Spring semesters. A small but hard-working Summer staff came up with a bi-weekly paper that helped to relieve the tedium of five-per-week classes and hot weather.

The summer editions were also sent to the ROTC seniors encamped at Fort Hood, Texas. Probably the biggest "scoop" of the semester came when *The Current Sauce* hit the news stands with complete coverage of the Potpourri Assembly ten minutes before the assembly was over.

Even while school was out in August, *The Current Sauce* work continued. And on opening day of the Fall semester, Northwestern students were presented with a 16-page "special edition" describing life at NSC and orienting the coming week.

The regular eight-page editions were published on Friday afternoon, instead of Saturday morning as the case had been for several years. There were the usual ups and downs of pressing deadlines and shortage of news, but as a whole the staff gave the students an informative and entertaining paper each Friday.

In the Spring, staff members were honored at the annual *Current Sauce* banquet, with trophies being presented to the year's outstanding staffers. The 1956-57 *Current Sauce* was edited by Jerry Byrd, with Delbert Vines turning in an unusually fine job as Business Manager.

Whatever the latest scoop happened to be, the staff didn't forget that it was producing a newspaper for all the students.

The Debate Club was organized this year for the first time at N. S. C. The purpose is to prepare debators for the inter-collegiate tournaments, held nation-wide. At the first tourney at Louisiana Tech the Club walked off with four excellent ratings, and one good rating.

Other tournaments scheduled include those at Ada, Oklahoma, Lafayette, Louisiana, Jackson, Mississippi, Waco, Texas, Conway, Arkansas, Durant, Oklahoma, Athens, Georgia, Brookings, South Dakota, and the one at N.S.C. The group will also sponsor a high school meet for high school speech enthusiasts.

## *Dramatics*

College Theatre, under the expert direction of Dr. Edna West, opened its season of dramatic productions with a comedy, "George Washington Slept Here," by Moss Hart and George Kaufman. Playing the leading roles of Newton and Annabelle Fuller were Maree Minturn and Wayne Black.

As winter moved in, the group prepared for a more serious type drama. Sarah Whelan very successfully portrayed the title role in Marcelle Maurette's "Anastasia". Mary Lou Holmes made her NSC stage debut as the Dowager Empress.

Then as Spring came, College Theatre turned to the lighter type once more, and presented Shaw's "Arms and the Man", upon which the musical "The Chocolate Soldier" was based.

"George Washington Slept Here"

Bonapart's Retreat?

Scenes from "Anastasia"

These were the major productions of the year. Yet much work was put into the various one-act plays given. George Kelly's "The Flattering Word" provided entertainment for the freshmen during Orientation Week. The "Last Refuge" by Claude Derbes was another comedy on College Theatre's calendar, as well as Alfred Kreymborg's "Jane, Jean, and John".

Now, College Theatre members look forward to another period of dramatic productions in Summer Theatre.

## *The Artist Series*

LEONARD PENNARIO

Recording artist and concert pianist

The Artist Series, under the sponsorship of the college as well as through the cooperation of the Natchitoches Concert Association, gives the students an opportunity to gain knowledge and develop appreciation within the realm of fine arts. Such outstanding attractions as "Gala Performance" and concerts by Leonard Pennario hailed as "a phenomenon of the piano", Jan Rubes, one of "Canada's greatest singers" and Paul Draper, long-time favorite in the dancing world, have been among the features of the 1956-57 season. Climaxing the season was the appearance of the New Orleans Symphony Orchestra under the direction of Alexander Hilsberg.

Picture Cards Teach Sounds

The Speech Department of N.S.C. provides activities valuable to both speech majors and other students. The Speech and Hearing Clinic offers students the opportunity not only to observe, but to participate in the correction of speech and hearing defects. The purpose of this clinic is to help those who need correction in Speech and Hearing and also a training center for those students who wish to major in Speech Therapy. N.S.C. students, children from the training school and nursery school children are treated in the clinic. The Speech and Hearing Clinic is under the supervision of Miss Irma Stockwell. This department has been growing and is growing in leaps and bounds!

## *The College Chorus*

Christmas Presentation

For many years there has been a growing feeling that a so-called liberal education is distinctly lacking when it fails to include some experience in the arts. One of the responsibilities of a department of music is to bring music significantly into the lives of as many students as possible. The College Chorus is organized to afford the opportunity for many who are not specializing in music to pursue their musical interests. It is

the desire of the Choral director to make this course both interesting to the amateur and useful to the scholar.

That the College Chorus has been remarkably successful is attested by the wide endorsement of its activities on the campus. Faculty members have cited its worthy content, and students, rising to the challenge that it presents, report great enthusiasm for their increased understanding and appreciation of music.

The College Singers form a group of the more talented singers within the College Chorus. A program of varied and personally repaging musical activities attempts to provide the best setting possible for the singer's development of vital musicianship.

This group of singers has established an enviable reputation and has traveled extensively throughout Louisiana. In competition with nationally known choirs, the College Singers won the distinction of being chosen as the official choral group for the National Elks Conventions held in Chicago, St. Louis, and Los Angeles.

The various concert series presented on the campus bring music to the student body and the community, and certainly make a valuable contribution to the cultural life of Northwestern State College.

## *The Band*

The Northwestern State Band has become well known through its many participations in various parades and activities such as parish fairs, football games and the Christmas Festival. This band is under the capable direction of Dwight Davis. The marching band of the fall transforms into the concert band in the spring. This concert band makes several tours which last for a period of one to two days; the band plays in three or four places in one day's time. At least one formal concert is held in the spring. The band plays at all school functions and particularly the ones held out of doors.

## Demonaires

This group is probably the only school-supported dance band in the state. It is a fifteen-piece outfit using five saxes, six brass, and four rhythm instruments. It's members come from all over the state and contrary to general opinion, are not all music majors. In fact, the majors within the band range from Agriculture to Pre-Dentistry.

The group plays mostly "stock" arrangements, but does use several special arrangements done by members of the band, and a few "head" arrangements. Thanks are in order for members Kimball and Payne for their talents in the arranging field.

This year has been about the "swingiest" ever for the Demonaires. The group started working even before registration for the Fall semester had begun. They played for several Frosh activities, All-College picnics, After-Game dances, Wednesday night practice dances, several Gym shows, and many of the ever-popular All-College dances. The group also toured with Phi Mu Alpha on their annual tour to

the various high schools, in addition to many high school and college dances throughout the state.

The Fall semester band (not pictured) consisted of Dave Kimball, Lead Alto Sax; Jerry Payne, Ride Tenor Sax; Clifford Carnahan, 3rd Alto Sax; Mickey Murphy, 4th Tenor Sax; Dave Robinson, Bary Sax; Thelton Salter, Lead Trombone; Roy Baldwin, 2nd Trombone; Gayload Cardino, 3rd Trombone; Dean Moore, Lead Trumpet; Ed Jolley, Ride Trumpet; Don Cook, 3rd Trumpet; Buddie Carroll, Piano; Glenn Harris, Guitar; Barney Ware, Bass; and Gardner Vaughn, Drums.

The Spring semester band (pictured) consisted of Dave Kimball, Lead Alto; Barney Ware, Ride Tenor; Robert Eddy, 3rd Alto; Mickey Murphy, 4th Tenor; Dave Robinson, Bary; Thelton Salter, Lead Trombone; Roy Baldwin, 2nd Trombone; Bill Taylor, 3rd Trombone; Buddie Carroll, Lead Trumpet; David Hardin, Ride Trumpet; Don Cook, 3rd Trumpet; Jerry Payne, Piano; Glenn Harris, Guitar; and Gardner Vaughn, Drums.

This year the band received a brand new set of drums, which helped it to swing even more.

Thanks to members Salter and Cardino for their untiring efforts with the band even though they were not receiving monthly scholarship checks as the other members were.

All in all it's been a BALL!!!

The immense privilege that is yours to mature under our great educational system carries with it an obligation to share in the preservation of that system and all that is basic to it. You will be called upon sooner or later to give tangible service to your nation in the form of military duty. How you will respond to this call will determine your fitness—and, in a sense, America's potential—for a place in the world of tomorrow.

SFC Miller, SFC Kuchen, SFC Colton, M/Sgt. Gregory, SFC Schumaker.

CADET LT. COL. JAMES McNEW

Your country offers you a special opportunity to combine your military duty with your academic preparation for your future career. Through the Reserve Officers' Training Corps Program, America calls upon the foremost college men on each campus to offer her active and reserve forces. In turn, the men she chooses for this duty achieve honor and distinctions and the recompense of a great and generous nation.

On occasions of state and local celebrations, units are invited to take part in military and civic parades.

Other special activities are the Annual Military Ball, which is the outstanding campus social event of the year and the annual inspection by Army officers. Many units have a military field day which is made colorful by intramural, individual, and unit competition, the awarding of prizes and various ceremonies which highlight the completion of the year's ROTC training.

The ROTC Rifle team is composed of members of the cadet corps who are skilled in the firing of the 22 caliber rifle. This team fires shoulder to shoulder matches with teams of this area and postal matches with teams from all over the nation.

Although hampered by the loss of such standouts as Gerald Tilleux, Delano Brister, Jo Donna Brown and Ernest Beauregard, the team is bolstered by returnees Larry Broadwater, Lamy Chopin, and Charles Meyers. Prospects for next year are good with all members returning.

## *How They Were Selected . . .*

Three judges from Shreveport, all experienced in beauty judging, were chosen by the Editor to come to Northwestern and select, in person, the fifteen most beautiful girls from a group of fifty-eight. The judges, MRS. MARGO AUSTIN, of the John Robert Powers School of Beauty, MR. BOB MEN-

ASCO, a prominent photographer, and MR. AL REECE, of Shreveport Magazine, selected the girls on the basis of facial beauty only, and ranked the top six accordingly. These six beauties are pictured in the order of their ranking from one through six, and followed by an alphabetical arrangement of the nine runners-up.

## Lambda Zeta

### ALPHA CHAPTER

The Theatre . . . NSC.

The setting . . . The Lambda Zeta Room in the basement of Caldwell Hall

The time . . . 1924-1957

The play has run continuously since 1924, the longest successful run of any fraternity on the campus.

But as in all plays the scenes have changed, and finally the curtain has come down on the oldest fraternity at NSC. It is not the finish however, but only a climax; for the curtain call of a new fraternity, Tau Kappa Epsilon, has sounded. Even though the inner changes are great, the overall appearance of the new stage has been only slightly altered. Replacing the familiar color scheme of green and white are the symbolic colors, cherry and grey, of TKE.

The spirit of Lambda Zeta will not die with the closed curtain of its past, but will linger on, ever haunting the new fraternity, reminding it of Lambda Zeta's glorious past, stressing brotherhood and loyalty as the theme of its successor.

Starring Bennie Barron as president and co-starring Don Morgan as vice-president, with Bill Wood and Bill Robinson cast in the supporting roles, the play enjoyed a final successful season, 1956-1957. The feminine lead was portrayed by Mary Duncelman, Lambda Zeta's current sweetheart.

The memories of Lambda Zeta will be full of sincerity and close friendship, for which it stood. In its final run, Lambda Zeta will long be remembered, as will its cast of outstanding scholars and campus leaders. Doubly cast as Vice-President of the Student Body and Distinguished Military Student was Bennie Barron. Don Morgan served as director (President) of the Student Body and was supported by Jimmy Hammons and Aubrey Capelan, class representatives.

Supervising the financial status of the POTPOURRI was John Rabb, and assisted by staff member Charles Brown. Gerald Tilleux and Caroll Armour added their contribution to dramatics, and were successful in their attempts to please the theatre public at NSC.

Never to be forgotten even after the curtain falls is Jackie Scroggins as "social chairman," or Dr. Crosby for his guidance and understanding. And during the final curtain call we honor the supporting cast and crew of Lambda Zeta and the apprentices (pledges) who will follow in our footsteps.

And so, even as the last props of Lambda Zeta's long run are put away . . . already are the players preparing for the forthcoming presentation and the birth of a new era in the Greek world at NSC—TAU KAPPA EPSILON.

## NSC Football

A rebuilding year . . . a back-breaking early-season run of injuries . . . the mid-season resignation of Coach Harry "Rags" Turpin after 30 years at the Demon helm . . . a dramatic late-season comeback . . . and a tie for second place in the Gulf States Conference, after coming within 12 minutes of winning their first undisputed GSC championship. This was the football story of Northwestern's 1956 Demons.

Northwestern was picked to finish in the conference's "second division" by pre-season forecasters. There were

1956 Football Team: (front row, left to right) co-captain Ray Lockwood, Charlie Tolar, Harry Fontenot, Bobby Tackett, Petie Moore, Lacey Lofton, Dan Chase, Dale Hoffmann, Billy Moore, Billy Johnson, Bryant Lewis, Roy Bridges; (2nd row) Dean Smith, Jerry Lott, Jerry Youngblood, Robert Powell, Dewey O'Neal, Doug Burt, Kemp Gordon, Claude Roberts, Billy Booth, Jim Sanders, Wayne Hendricks and, Phil Collins; (3rd row) Johnny Newman, Jim Bruning, Brudner Wampold, Gully Taylor, Mixon Bankston, Ev Doerge, Lexie Gregg, Charlie Johnson, Judson Hale, Cecil Johnson, Charlie Hennigan; (4th row) Raymond Bates, Rudy Landry, Billy Kidd, Don Bowden, Don Deen, Bert Hecker, George Smith, Bobby Stanley, J. W. Beck and co-captain "Red" McNew.

Coaches Alvin Brown, New Head Coach Jack Clayton, 1957, Walter Ledet, and Jack Rowan.

too many losses from the 1955 team, the "experts" said, for the Demons to rank as title contenders.

But the Demon coaches and players didn't claim to be "experts," and after a slow start caused by injuries to over half the starting line-up, Northwestern rolled into a tie for first place that lasted till the final game.

All of the Purple and White gridders played big roles in throwing aside the "rebuilding" label and cruising to a record of six wins, two ties and two losses, but the mainstays were probably the ten seniors who played their last season "on The Hill."

Co-captains James "Red" McNew, All-Gulf States Conference quarterback, and Ray Lockwood, the guard who was voted the team's "Most Valuable Player" by his teammates, led the fourth-year men. Other seniors were

Harry Fontenot, Phil Collins, Lacey Lofton, Raymond Bates, Ruth Landry, Dan Chase, Mixon Bankston, Jr., and M. H. "Brudder" Wampold.

The Demons started off the season with a 14-12 loss to the aerial-minded Stephen F. Austin Lumberjacks. Lumberjack quarterback Votto Gaddis was the big difference in the season opener, pitching two touchdown passes of 58 and 17 yards, respectively, and kicking the game-winning points after touchdown.

Freshman fullback Charlie "Medium Tank" Tolar gave Demon followers a brief glimpse of things to come in the Nacogdoches, Texas, scrap by bulling through the Texans' line for 67 yards and one touchdown. Sophomore half-back Judson Hale also picked up 67 yards, while senior Lofton accounted for NSC's other six-pointer.

In the second game Northwestern came from behind in the last quarter to tie the Lamar Tech Cardinals, 6-6, at

Beaumont, Texas. The Demons managed to stop Tech's All-America candidate, fullback Ray Meyer, but halfback Ronnie Walker grabbed an NSC fumble out of mid-air and raced 35 yards for a Lamar touchdown in the third quarter. Meyer's conversion attempt was wide.

The Demons tied it up on a long drive in the last period which resulted in fullback Dewey O'Neal's two-yard smash in the game's waning minutes. O'Neal's PAT effort was blocked by Jimmy Peacock of Lamar.

The 1956 season looked like a "long winter" when the McNeese Cowboys edged the Demons by 20-13 at Natchitoches the following week, but McNeese had an ineligible player who was to later cause the 'Pokes to forfeit three games, including the NSC contest.

The conference game was highlighted by the running of NSC's McNew and McNeese's Rogers Hampton, although neither scored a touchdown. The Cowboy TD's came on a pass from Don Ladner to Ray Simmons, a one-yard sneak by Ladner and a four-yard run by halfback Ronnie Morris. Northwestern scored on a one-yard run by Tolar and a 20-yard pass from Dale Hoffpauir to George Smith, one of nine completions Hoffpauir made in 11 attempts.

A "hungry" band of Demons ripped into the Louisiana College Wildcats 18-7 in their second home game. McNew scored two touchdowns on runs of 2 and 67 yards while Tolar bulled over from one-yard out for insurance. Half-

Game of tag—College style

back Bobby Banna got the Wildcats' only TD on a one-yard smash through the middle.

When the Demons flew to Deland, Florida, for a game with the Stetson University Hatters the following Friday, it was "McNew and Tolar" once again—McNew running 45 yards for a touchdown and Tolar plunging over from the one and adding the point after. A pass from Dick Saltrick to Ed Tinnermon in the fourth quarter got Stetson University's only touchdown.

"The Big One" came next, and the Demons were ready. A muddy field at State Fair Stadium favored Louisiana Tech's heavier Bulldogs, but the Demons unleashed a new pattern of plays—the dreaded "H" series—that offset the Canine beef and both teams left the field with a scoreless tie.

Unheralded halfback Charlie Hennigan, the track "horse" who only played football for the "fun of it," was the hero at Shreveport, picking up 50 yards through the Big Red line. A 13-yard field goal attempt by Charlie Johnson of NSC in the final period was just a couple of

feet wide to the left. Tech also muffed a field goal opportunity earlier in the game.

A pass from McNew to end Billy Jack Booth—another “H” play, incidentally—went for 45 yards and a touchdown on Northwestern’s first play against the Howard Payne Yellow Jackets, and the Demons went from there to an 18-6 win over the Texas team.

Howard Payne halfback Robert Jackson tied it up in the third quarter, but the Demons wrapped it up in the last two minutes of the game when McNew went 20 yards on a “keeper” and Wampold recovered a Yellow Jacket fumble in the end zone with 45 seconds left to play.

Judson Hale, who had been out of action since the McNeese game with an injured ankle, returned to form against Northeast’s Indians with two touchdowns—one on an 85-yard kickoff return that opened the second half—as NSC rolled to a 24-7 decision over the Monroe Redskins.

Charlie Hennigan got the Demons’ other touchdown, while end Jim Bruning—also returning after a long lay-off, kicked a five-yard field goal and an extra point. Don Reynolds ran 10 yards on the last play of the game for Northeast’s only score.

A reward well earned

A fight to the finish

A "Free-for-all"—or did someone lose a quarter?

Who's the "good" and who's the "bad"?

"Homecoming" meant "touchdowns" in '56, as the Demons outlasted Southwestern's fighting Bulldogs 38-19 before a delighted crowd of alumni. Tolar and Hale tore through the Bulldog line for two touchdowns apiece, Tolar gaining 164 yards for the afternoon, while McNew and end Billy Kidd each scored once. Harry Fontenot and Jerry Lott toed the conversions, while Phil Arena, Carl Nunez and Ralph Davis got SLI's touchdowns.

Needing only a win over Southeastern's Lions for the conference champions, the Demons were hurt by an epidemic of penalties at Hammond as the down-staters came from behind in the final period to win the game—and the conference title—20-15.

Tolar, who was voted to the All-GSC team and received honorable mention for the Associated Press Little All-America eleven in his freshman year, scored one touchdown on a 17-yard sprint and had a 50-yard TD scamper called back on a penalty. McNew passed to Booth for 59 yards and the other Purple and White TD, while tackle Charlie Johnson tackled SLC quarterback Bill Hawkins in the end zone for a safety.

Hawkins, a Lion sub, was the big man of the day, however, scoring twice on quarterback sneaks and passing to end Glen Dossett for the Lions' winning TD.

With a new season approaching, the Demons will take the field under a new coaching staff—Head Coach Jack Clayton, formerly of Western Kentucky, and assistants Walter Ledet, Alvin Brown and Jack Rowan—and hopes are high for one of NSC's best grid seasons in history.

Brown rests after 24 points in 25 minutes

N.S.C.'s basketball coach Charles "Red" Thomas entered the 1956-57 season with a surplus of little men in a big man's game.

The presence of 8 lettermen from the 1955-56 team that won 18 while losing 10 was somewhat modified by the fact that half of these lettermen are 5'11" or less in height.

George McConathy, two time All-Gulf States Conference forward and rebounding bulwark of the last two seasons and the team's "Most Valuable" player last year, has graduated. But aside from the rebounding worries and defensive weaknesses caused by the departure of McConathy and veteran James Enloe, the Demon's biggest problem is getting maximum mileage out of the personnel available.

"Red" Leach, Bobby Wicker, Pete Walpole, Larry Fontenot, Elvin McCann, and Mickey Crnkovic returned to resume a big job they had brilliantly begun as freshmen.

All eyes on the ball!

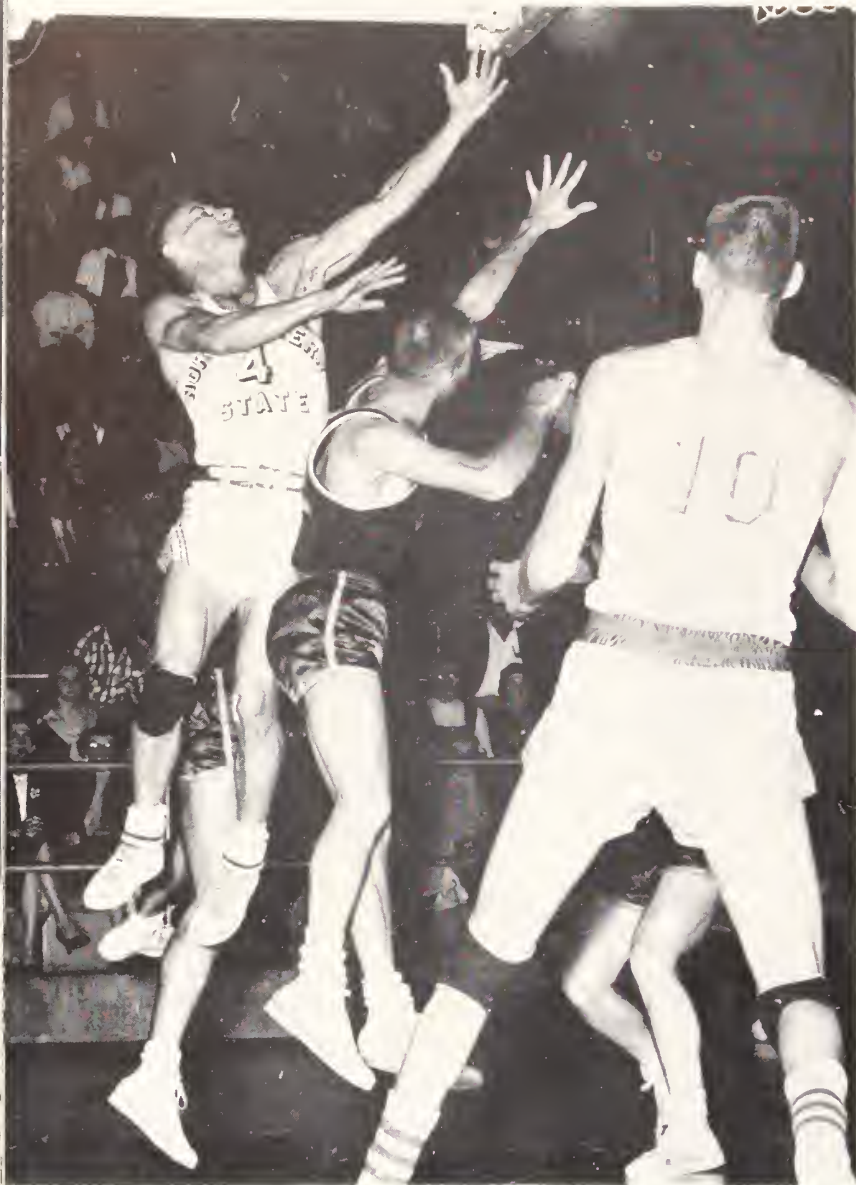

Get it, Wicker!

Go, go go!

"The Tall Men"

Only 3 Demons returned with much experience—junior guard Ronnie Lebo, senior center "Loopy" Langston, and All-Gulf States Conference guard Dick Brown.

Six newcomers came in to fill the two big gaps—transfers Bobby John Howell and Don Oatley and freshmen Jimmy Adkins, Gil Searcy, Earl K. Long, and William Stewart.

With this lineup of youthful Demons, Coach Brown got off to the expected slow start, losing to Stephen F. Austin, 70-66; East Texas State, 58-55; and Stephen F. Austin again, 59-49.

"... don't fence me in"

A bird's eye view

Amid roof-raising enthusiasm the Demons returned home to down Centenary, 71-64. With heavy hearts NSC fans watched the Demons lose the next three games to East Texas State, 71-63; and Southeastern Oklahoma State, 66-53 and 78-67.

Spirits again were lifted as the do-or-die Demons trounced SLI, 70-53, and were once more drowned in a 74-63 defeat by Southern State just prior to the Louisiana Invitational Tournament in Shreveport, Dec. 27-29.

NSC displayed fine showmanship by defeating Hardin Simmons, 54-39 in its opening tournament game. A heart-breaking 86-83 loss to Loyola of New Orleans followed, and then a sweeping triumph over Louisiana State 103-75, placing NSC in 3rd place in the tournament.

The Demons got off to a new year and a new, spirited start by downing its first three opponents, North Texas State, 60-59; Louisiana College, 87-85, and Southern State, 96-74.

Recognition to an outstanding player

The Headless Horseman?

Three heart-breaking defeats followed—GSC defeats—McNeese, 52-41; La. Tech, 56-43, and Northeast State, 86-83, dimming Demon hopes of topping GSC ranks again this year.

A win over North Texas State followed, then two defeats by Centenary and McNeese, a loss to SLI and the Demon Cagesters hit pay dirt, winning their last 4 games.

The last Demon victims were La. Tech, 56-43; Northeast State College, 70-57, and Southwestern La., 66-59 and 89-69.

Outstanding team captain power-horse, Dick Brown, topped the GSC "Total Points" column with an accumulated 1804 total points over 4 years at NSC. Brown finished his reign in grand style, to take his place forever with other athletic greats in NSC's Hall of Fame.

And once again a season begun under dark clouds of doubt ended in victory as Coach Red Thomas and his fighting Demons pulled into a proud third place position in Gulf States Conference standings.

Don't let it get away, Mickey!

## THE SIGMA ALPHA IOTA SYMPHONY

To study and practice the goodness of life,  
                   the beauty of art, the meaning of music.  
 To sing the song of sincerity and universal  
                   peace.  
 To speak the words that build, that bless  
                   and comfort.  
 To play the harpstrings of loving kindness,  
                   tolerance, appreciation, and genuine  
                   gratitude.  
 To strive for the joy of simplicity, for the  
                   noble; to be faithful over a few things.  
 To listen, to be still and know the harmony  
                   within.  
 To falter never in seeking loving service,  
                   wisdom, and understanding.  
 In a word to be loyal to Sigma Alpha Iota  
 and her teachings; to find joy, hope,  
 inspiration; to remember that "Every  
 good and perfect gift is from above" and  
 "whatsoever ye do, do it heartily as to the  
 Lord, and not unto men.

And again, to practice,  
 This is to be our Symphony.

## Political Science

The Political Science Society, organized on November 20, 1956, has as its primary purpose the circulation of pre-professional information for pre-law students, such as information concerning scholarships, curriculum, professional experience and qualifications. Guest speakers are invited to lead discussions on related topics.

The close connection between law and other fields of government suggests that the interest of society are even broader than such pre-professional information indicates.

## Math Club

First Row: James Hammons, President; Charles Smith, Vice-president. Second Row: Juanita Martinez, Secretary; Ross Murphy, Treasurer; Hubert Temple, Recording Secretary and Reporter.

Organized with the idea of promoting interest in mathematics at Northwestern, the Math Club has grown into an agency of activated study, helping develop in its members an appreciation of the power and beauty possessed by mathematics. It has also been a determining factor in promoting higher scholastic achievement.

Plans are underway to affiliate with the national honorary mathematics fraternity, Kappa Mu Epsilon, thus providing on the campus a society for the recognition of outstanding achievement in the study of mathematics.

First Row: Keith Bennett, Bobby Canterbury, Irene Chentwood, John Echols. Second Row: Kenneth Everett, Pat Fox, Anita Harkness, Ronald Harlan. Third Row: Bill Holcomb, Charles LaRoux, Dorothy Leifeste, Dullene McElroy, Carolyn Wyatt.

## *Acknowledgments*

Editing a yearbook is far from a "one-man" job. In compiling pictures, copy, ads, etc., we, the editor and staff, came in contact with many people. It is to these, whose special interest and suggestions we needed and accepted, that we wish to extend a hearty and sincere "thank-you".

To Benson Printing Company—and especially to Billy Benson, Jr., whose sincere interest in the yearbook was so valued that we could strive for nothing but the best . . . and to Dan Eadie, whose talents brought the opening section of the book to life last August in Nashville, Tennessee.

To Shreveport Engraving Company, including Mr. Murphy, who was behind us all the way . . . and to Jimmy Cobb—always there for us to run to with questions (and we ALWAYS had questions).

To our many photographers . . . Curtis Guillet, who spent many hectic hours working on Opening Section, Classes, Beauties (the most pleasant task, I'm sure), and all phases of the book in general . . . and special thanks for the many "extra" favors we received from him . . . not forgetting Liz, a fine secretary and friend, who spent many hours working overtime for us. Then, many thanks go to "Red" Henningan and student photographer Phil Wilcox, who were always available for those "last minute" assignments.

Never for one minute forgetting our sponsor-advisor-photographer and general morale lifter, "Doc" Paul C. Marx, whose valuable time and talents were always in demand and always available to us.

To our three wonderful judges, Mrs. Margo Austin, Bob Menasco, and Al Reece, who gave of their time to choose and rank Northwestern's Beauties.

To Mr. Millspaugh, for contributing for our use, a negative of the Bullard Mansion.

To Deans Fulton and Porter for the interest shown and the suggestions offered us in times of doubt.

To President Kyser, whose interest prevailed throughout the year—beginning with lending assistance in getting us off to Nashville by air last August.

Special thanks to Miss Graves in helping with little details and questions which arose throughout the year.

And last, to a fine staff for helping in all phases of yearbook work.

All in all, it has been a good year—a memorable year which we hope has been captured and bound within the covers of this, the 1957 POTPOURRI.
